Dear Mohammed Aminul Ismal,

Thank you for your delegation to the Board of Education sharing your initiative to celebrate mother languages. Like you, the Board recognizes the need to assist students in our District in being aware of their mother languages and upholding their heritage for future generations. On behalf of the Board of Education, I have been asked to communicate to you Langley School District's support in annually designating February 21st as International Mother Language Day.

Langley's diversity as a community has grown rapidly. A few years ago there was minimal ethnic diversity in our School District; we have quickly grown to now have 73 different mother languages. We are also working with our Aboriginal communities regarding their language and looking at ways to revitalize, learn and share those languages.

Thank you for your presentation and continued good luck to you in this endeavour.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rob McFarlane", with a long horizontal flourish extending to the right.

Rob McFarlane, Chair
Board of Education
